

**DERBYSHIRE PUB QUIZ LEAGUE SEASON 2012-13 WEEK 5 7<sup>th</sup> NOVEMBER 2012**

**QUESTION READERS PLEASE NOTE:** As usual, in Rounds 2 and 6, the teams choose, in order, the topics on which they will answer. The topics available are listed on the tear-off strips on the final page, one for each team. These should not be handed to teams until the start of Round 2. **Underlined bold** indicates key **ideas**, though a differently-worded answer may still be valid (e.g. “or wtte” = “or words to that effect”, requiring question reader’s judgment). Elements of an answer which are not in bold are not expected, but must not be given incorrectly. Brackets indicate either additional information which is not required in the answer or acceptable alternatives. Question masters should prompt teams to elaborate on any answer which is not incorrect but has not given the detail required.
