

Question Reader: All parts of the answer shown in **Bold Face** are required. Parts shown in ordinary type are not essential, but if given incorrectly will mean that the answer is wrong; for example, if the answer shown is "Fred **Smith**", "Smith" would be a correct answer, but "John Smith" would be incorrect. Parts shown in *italics* are purely explanatory and are not required. If the answer offered is incomplete (for example, "Roosevelt" for "Theodore Roosevelt", you may, at your discretion, ask the person answering to expand the answer.

In the event of any problem, three spare questions can be found on the final sheet.
